Narrative Feature	Definition	Example from Hansel and Gretel
	The main idea or underlying meaning of a story.	
	A person or other being (e.g. animal) in a story. These can be based on real or fictional people.	
	The sequence of events that, in order, tell a story.	
	The time and place where a story occurs.	
	The verbal exchange of two characters in a story.	
	The main struggle in the story that needs to be resolved.	
	The unfolding or solution to the main issue in the story.
