

Monster by Skillet

The side of me, I never let you see
I keep it caged but I can't control it
So stay away from me, the is ugly
I feel the and I just can't hold it

It's on the walls, in the closet, in the halls
It comes awake and I can't control it
Hiding the bed, in my body, in my head
Why won't somebody come and me from this, make it end?

I feel it deep within, it's just the skin
I must confess that I feel like a monster
I what I've become, the nightmare's just begun
I must confess that I feel like a monster

I, I feel like a monster
I, I feel like a

My secret side I keep hid under lock and key
I keep it but I can't control it
'Cause if I let him out he'll tear me up, break me down
Why won't come and save me from this, make it end?

I feel it deep within, it's just beneath the skin
I must confess that I like a monster
I hate what I've become, the nightmare's just begun
I must confess that I feel like a monster

I feel it deep within, it's just beneath the skin
I must confess that I feel like a monster
I, I feel a monster
I, I feel like a monster

It's hiding in the , it's teeth are razor sharp
There's no escape for me, it wants my soul, it wants my heart
No one can hear me scream, maybe it's just a
Maybe it's of me, stop this monster

I feel it deep within, it's just beneath the
I must confess that I feel like a monster
I hate what I've become, the nightmare's just begun
I must confess that I feel like a monster

I feel it deep within, it's just beneath the skin
I must confess that I feel like a monster
I've lose control, here's something radical
I must confess that I feel like a monster

I, I feel like a monster
I, I feel like a monster
I, I feel like a monster
I, I feel like a monster
