Diagram illustrating the formation of syllables with the letter G and vowels A, E, I, O, U.

The letter G is shown at the top, connected by dotted lines to five boxes containing the vowels A, E, I, O, and U. Below each vowel box is a downward arrow pointing to a corresponding empty box in a grid. Each of these five boxes is connected by a dotted line to a larger box containing a set of four illustrations related to the vowel-syllable combination.
