

I always study hard for exams  
Ben goes to football practice every Tuesday  
Keisha doesn't speak Spanish  
He is a doctor  
They aren't journalists  
My pet will grow up so much  
They have traveled to Australia  
Carlos watched the soccer match last night  
He has two dogs at home  
I won't go to Las Vegas  
Carolina can sing vallenato  
Miguel would like pizza for lunch  
Angie shouldn't take a pill  
I should go home now  
Tom was in New York yesterday.  
I haven't been at this job for a long time.  
She'll be at the party next weekend  
They haven't begun the play yet.  
I didn't go to work early this morning
