

Writing: Organizing a Paragraph

Put the sentences in the correct order to form a paragraph, take into account the sequence words.

In the beginning, At first, Ten minutes later, In the end,

I was cleaning my house, when I saw a shadow

I realized that it was one my cats. I laughed at myself!

I thought that it was my dad walking past the house, but

I received a call from him telling me that he was going to arrive late, so I got scared

One day, Next, After that, Finally,

He went home laughing at himself for getting scared of that little animal

Sam was walking through a big forest alone when he heard a noise

He decided to get close and look what it is, and it was a squirrel

He saw sometime moving, so he thought it was an animal
