

LISTEN TO THIS BEAUTIFUL SONG AND CHOOSE THE CORRECT WORD

Hallelujah

Bon Jovi

Well, I heard there was a secret chord
That David played to please the Lord
But you don't really care for **music** / **people**, do you?

Well, it goes like this the fourth, the fifth
The minor fall and the major lift
The baffled king **singing** / **composing** Hallelujah

Hallelujah, Hallelujah (x2)

Well, your faith was strong but you needed proof
You saw her bathing on the **floor** / **roof**
Her beauty and the moonlight overthrew you

And she tied you to her kitchen chair
She broke your throne and she cut **your** / **her** hair
And from the lips she drew the Hallelujah

Hallelujah, Hallelujah (x2)

Yeah, baby, I've been here before
I've seen this room and I've **ran** / **walked** this floor
I used to live alone before I knew you

And I've seen your flag on that marble arch
Your **love** / **life** is not a victory march
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah (x2)

Well, there was a time when you let me **now** / **know**
What was going on below
Now you don't never show that to me, do you?

But remember when I moved in you
And the holy dove was **moving** / **loving** too
And every breath we drew was Hallelujah

Hallelujah, Hallelujah (x2)

Well, now maybe there's a God above
But all I've ever learned from love
Was how to shoot **someone** / **somebody** who outdrew you

And it's not your cry that I hear at night, no
It's not someone who's seen the light
It's a cold and it's a **careful** / **broken** Hallelujah

Hallelujah, Hallelujah (x4)
