

# Monster - Justin Bieber, Shawn Mendes

You/They put me on a pedestal and tell me I'm the best  
Raise me up into the **moon/sky** until I'm short of breath (yeah)  
Fill me **up/down** with confidence, I say what's in my chest  
Spill my words and tear me down until there's nothing **left/right**  
Rearrange the **parts/pieces** just to fit me with the rest, yeah

But \_\_\_\_\_ if I, what if I trip?  
What if I, what if I \_\_\_\_\_?  
Then am I the \_\_\_\_\_?  
Just let me \_\_\_\_\_  
And \_\_\_\_\_ if I, what if I sin?  
And what if I, what if I \_\_\_\_\_? Yeah  
Then am I the \_\_\_\_\_? Yeah  
Just let me \_\_\_\_\_, yeah, yeah, yeah, yeah

I was **15/50** when the world put me on a pedestal  
I had big **plans/dreams** of doin' shows and making memories (yeah)  
Made some **bad/good** moves trying to act cool, upset by their jealousy (uh-uh)  
**Raising/Lifting** me up (lifting me up), lifting me up (yeah)  
And tearing me **up/down** (down), tearing me down (down, down), yeah  
I'll take **responsibility/capability** (ooh) for everything I've done (yeah)  
Holding it **behind/against** me (yeah) like you're the holy one, yeah

I had a chip on my **head/shoulder**, had to let it go  
'Cause unforgiveness keeps them in **mind/control**  
I came in with **good/bad** intentions then I let it go  
And now I really wanna **understand/know**

Oh, please just let me \_\_\_\_\_, yeah  
Baby, \_\_\_\_\_ if I fall down?

Please \_\_\_\_\_ let me fall  
Oh, please don't let me \_\_\_\_\_
