Hi guys!!

I'm really proud of everyone. I've <sup>1</sup> *just / already* read the news on our social media page. It's great that we're having a party for the whole school. We've <sup>2</sup> *already / yet* planned the food and lots of people have <sup>3</sup> *already / just* replied to our invitations. But does anyone know why some of the kids in Mr Barker's class haven't replied <sup>4</sup> *yet / already*? Eric Styles has been really helpful and is going to find out who hasn't received an invitation <sup>5</sup> *yet / just*. He thinks there's an email problem with that class. Has anyone thought about the music <sup>6</sup> *just / yet*? Let's talk about that at the next meeting. I've <sup>7</sup> *yet / just* sent the people who are organising it a text message – so check your phones.
