

## English VII Quiz 6

Profra. Jesse Coria

Name: \_\_\_\_\_

Complete the sentences with what, where, when, why or how.  
More than one answer may be possible.

I think you'll like \_\_\_\_\_ he thinks about writing methods.

I don't know \_\_\_\_\_ this machine works.

The teacher will show \_\_\_\_\_ these grammatical structure is used.

I don't know \_\_\_\_\_ people on the internet are so mean.

They posted \_\_\_\_\_ the class will be, but I forgot which classroom exactly.

Do you know \_\_\_\_\_ the next seminar will be? I heard something about next April.

### Reading

**Lucas:** Do you think I should boil the chicken wings first? I think that if you boil them first, they're more juicy when you fry them.

**Adam:** I don't think so. If I had boiled them when I worked in the restaurant, I would have lost a lot of clients. I think it bad idea, since the chicken loses crunchieness and flavor.

**Lucas:** Oh ok! My mom thinks that if I boil them, they will cook faster in the deep fryer.

**Adam:** Yes, they will, but if I were you, I wouldn't do it. Believe me, they taste differently. Just season them, and straight to the deep fryer.

Find all the types of conditional in the text:

Third	
Second	
First	
Zero	

Complete the sentences with the correct passive form of the verbs in parentheses. In some cases, more than one form is possible.
