

## SET THE FIRE (Adele)

2) Listen to the song and fill in the blanks or choose the correct option

I let it fall, my heart  
And as it **tell / fell**, you rose to claim it  
It ..... dark, and I ..... over  
Until you ..... my lips and you ..... me  
My hands, they ..... strong  
But my knees ..... far too weak  
To stand in your arms  
Without falling to your feet

But there's a side to you  
That I never **knew / know**, never **knew/know**  
All the things you'd say  
They ..... never true, never true  
And the games you'd play  
You would always win, always win

But I set fire to the rain  
..... it pour as I ..... your face  
Well, it ..... while I .....  
'Cause I **turned / heard** it screaming out your name  
Your name

When I lay with you  
I could stay there, close my eyes  
Feel you here forever  
You and me together, nothing gets better

'Cause there's a side to you  
That I never **knew / know**, never **knew/know**  
All the things you'd say  
They ..... never true, never true  
And the games you'd play

1) What are the past of...

Touch

Be

Save

Burn

Watch

Die

Cry

Kiss

You would always win, always win  
But I set fire to the rain  
..... it pour as I ..... your face  
Well, it ..... while I .....  
'Cause I **turned / heard** it screaming out your name  
Your name  
I set fire to the rain  
And I **threw / grew** us into the flames  
When we **tell/ fell**, something .....  
'Cause I knew that that ..... the last time  
The last time

Sometimes I wake up by the door  
That heart you **caught / bought** must be waiting for you  
Even now, when we're already over  
I can't help myself from looking for you

But I set fire to the rain  
..... it pour as I ..... your face  
Well, it ..... while I .....  
'Cause I **turned / heard** it screaming out your name  
Your name  
I set fire to the rain  
And I **threw / grew** us into the flames  
When we **tell/ fell**, something .....  
'Cause I knew that that ..... the last time  
The last time

Oh, oh, no  
Let it burn  
Oh, oh, oh  
Let it burn  
Let it burn
