

Turn each question into a statement that starts with “I don’t know...”

Example: Who is that person?

→ I don’t know who that person is.

1. Why is he here?
2. What is he doing?
3. Who is he?
4. Who gave him that hat?
5. Is he really human?
6. How can we fight him?
7. Has he eaten anyone yet?
8. What should we do if he eats someone else?
9. Where can we go to escape from him?
10. What will happen to us?
