Film group

We love films – old black and white films, new films – all kinds of films. We write about films on our group forum. We watch DVDs and films on TV, and sometimes we go to the cinema together. And yes, we like popcorn, too!

Travel group

We love travel! We go everywhere. We meet people from different countries and we chat with them about their lives. We take photos of our travels, and post them on our website. We read travel books and we like maps.

Sport group

We love sport! We do lots of sport. We play tennis and go running or swimming every day. At the weekend, we do exercise in the gym or we play football. We also watch sport on TV. We don't eat junk food, only good food. We don't drink coffee, only water, 2–3 litres a day.

Laid-back group

We do nothing ... just relax ... all the time! We don't like work and we hate sport, but we listen to our MP3 players a lot. We watch TV every evening ... for 4–5 hours! We don't read books or newspapers, but sometimes we read magazines. Easy magazines, of course!
