Dear Allen,

I have a problem. My name is Chinese. It's Zhang Yin. Zhang is my last name and Yin is my first name. In China, family names are first and given names are last. I'm a salesman and I often travel to English-speaking countries for business.

When I fill out a personal information form in English, I write Yin in the box for first name and Zhang in the box for last name. Then people call me Yin Zhang. When I introduce myself as Zhang Yin, they call me Mr. Yin. So sometimes I say that my name is Yin Zhang. But I don't feel comfortable with that because that isn't my real name. What should I do?
