Top ten goals

People often want to make changes in their life: their job, their lifestyle, their relationships. They talk about it, they buy a self-help book ... but usually nothing changes, and then a year later the same goal comes back again. They say, "This time, I'm really going to make a change!"

We asked our readers, "What are your goals?" Here are their top ten:

- 1 stop smoking
- 2 get fit
- 3 spend more time with friends and family
- 4 work less and relax more
- 5 help others
- 6 get organized
- 7 lose weight
- 8 learn something new
- 9 save money
- 10 change jobs

Read the statements and choose TRUE or FALSE :

People almost never want to make changes in their life: TRUE / FALSE

Some people buy self-help books to learn to change their lives: TRUE / FALSE

People always change their lives when they set that goal: TRUE / FALSE

Read the list of top ten goals above. Which ones can you see in the pictures? Drag and drop them in their correct picture.
