Grammar in Use

D Listen and sing along. **The Tree**  2:27

Behind the house
There is a tree.
It grows peaches
Just for me.

Between the flowers
There's a bee.
It flies around
In front of me.

Across from me,
The eagles fly,
Above the ground,
Into the sky.

E  **Learn Grammar** Prepositions of Place

There's smoke in the air **above** the city.

The landfill is **across from** the park.

The trash can is **behind** the tree.

The tree is **in front of** the trash can.
