6.

Atceries atbildēt uz jautājumiem pilnā teikumā! 😊

Read the following passage and answer the questions below.

___/4

Welcome to the City Museum!

How did people travel one hundred years ago? Were there motorbikes and helicopters? Come inside and see the transport of the past.

City Museum is the biggest transport museum in the country. It has buses, taxis, trams and even a plane! You can learn how children travelled to school two hundred years ago. There weren't buses or taxis then.

At the top of the museum, there is a helicopter. You can sit inside it! You can travel through the museum garden in our special City Museum tram. It's fun for everyone!

The City Museum is in the middle of town. It's between the library and the cinema. Come and see us soon!

1 The City Museum is a transport cinema garden museum.

2 You can sit inside a taxi. plane. helicopter.

3 Where is the City Museum? _____

4 What can you see in the City Museum? _____
