

**Imagine you are on a trip into space.
Read and match to make the alien's instructions.**

We're going to explore
Sit down and prepare
We've just landed
First of all turn off
Put on your spacesuit
Press the red button
Walk down the steps and follow
Don't touch any of the plants
You'll see a
Walk to
Push open the
Turn on the lights
Pull the space bed out
You're going to stay

on the planet.
because they're dangerous.
to open the exit door.
Planet Beta.
with the button next to the door.
the engine.
and sleep.
here for two nights.
to land.
door and enter the house.
so you can leave the spaceship.
spacehouse in front of you.
the path on your right.
the entrance.
