

DECIMALS

Instructions: Read each section and answer the questions carefully.

Remember:

There are three ways to write decimals.

1. **Standard or Numeral Form:** use numbers only.
2. **Word or Written Form:** use words only.
3. **Expanded Form:** Use the values of each digit.

Instructions: Read the word form of the decimals and write the standard form on the line provided.

- 1) _____ Six and One Hundred Ninety One Thousandths
- 2) _____ Three and Seven Hundred Eighty Four Thousandths
- 3) _____ Nine and Nine Hundred Fifty Two Thousandths
- 4) _____ Two and Four Hundred Twenty One Thousandths

Instructions: Read the standard form of the decimals and write the written form on the line provided.
