

If you touch the TV screen, you can get a shock!

LOOK AT THE DANGEROUS SITUATIONS IN THE PICTURE. READ THE WARNINGS BELOW AND WRITE THE LETTER FOR EACH SITUATION.

- a) You must **turn off** or **unplug** a lamp before you **change** the light bulb.
- b) When your hands or feet are wet you must not touch any electrical devices that are **plugged in**.
- c) When you **unplug** an electrical device, always **pull on the plug** and not on the **cable**.
- d) You should not **plug** too many devices into one **electrical socket**.
