

8. Read the information about the five people below. Match each person with one of the apps on the right that you think would suit him/her the most. Write a-h. There are three extra apps which you do not need to use.

First read the descriptions of the people carefully. Then scan each text and look for the specific information mentioned in each of the descriptions.

Tip

1 ☐

Wendy is studying to be a reporter and travels abroad frequently to find topics to write about. She enjoys keeping a digital record of her experiences.

2 ☐

Roger takes a lot of domestic flights because of his job. His company pays for all his travel expenses but he prefers to use public transportation to get around and rarely takes a cab or rents a car. It's important for him to arrive on time for meetings.

3 ☐

Jessica loves traveling and whenever she can afford to, she books a trip. She has traveled to lots of cities and is now looking for more unusual places to visit. Since she's unemployed at the moment, she has no time restrictions. Anytime she comes across a bargain, she can take it.

4 ☐

John has been reading about other cultures for years, but finds traveling a hassle. The only times he has traveled abroad was to stay with friends. He really enjoyed this because he felt safe and relaxed. He would like to start seeing the world on his own, but feels anxious about it.

5 ☐

Natasha used to be a tour guide. She loves going abroad with her family, but it can be a struggle as she has four children. Just trying to remember everything each of them needs and packing it all makes her exhausted! As a result, she often has a lot of anxiety before a trip but once she's away, she has a great time.
