Planets, aliens, flying cars, spaceships, life on Mars, robot teachers ☺ ☺

You are my close friend. You are my best friend. You are my mate.

I'm so busy. I have to take care of my sister, clean the house and wash the car.

That is cool. I'm in. I'll definitely be there. I'd love to. I can join you. Sounds fun.

After a long time, I'll meet up with my classmates, drink something and have a chit chat.
