

Travel advice

Fill in the gaps with *would* or *should*.

It _____ be great to start travelling again, and the COVID-situation won't stop me. How? Well, it's easy - a virtual trip to any world destination is always an option.

My friend Sonya visited Kenya five years ago. She loved it. Since we are so similar, she believes I _____ go there, too. I _____ love to go to Africa. Maybe I _____ read travel blogs before the trip to get a general idea? It _____ be great to invite my friends. That _____ be a great option for us to travel together so far away from our homes without our parents. I am so excited about this idea!

If my family and I ever decide to do it for real:

- we _____ check on all the regulations for tourists
- we _____ check on the papers (visa)
- we _____ find out info on vaccination
