### EMOTIONAL MATURITY<sup>1</sup>

emotion According to psychologists, we become ... mature when we outgrow our childish anger and fear.

break Do you remember what made you angry when you were a young child? Typically, young children get angry over possessions<sup>2</sup>. For example, they get angry if a toy ... or if fight it won't do what they want it to do; they ... with each other over toys. They also get angry when their parents want frustrate them to do something that they don't want to do. They angry scream, shout, lie on the floor and beat it with their hands and legs and seem quite out of control. Early childhood behave can be a very ... time. In adolescence, however, the major cause of ... comes from social situations. Adolescents are easily annoyed by the ... of others and feel offended<sup>3</sup> and embarrassed by what others say or do. Adults, on the other hand, become angry when their sense of abstract justice is offended.

anxious With regard to fear, children are afraid of things like dogs, storms and the dark, and some of these fears continue in adolescence and adulthood. Early adolescence is a time of worry about family and school, and in middle adolescence there is also ... about boy-girl relationships, career and religion. In late adolescence, people typically suffer from a feeling of personal inadequacy; they feel that success they are not being ... and not working hard enough; they worry about the impression they make on others.

real Becoming mature is about not running away from person ... , not taking ... things and not getting angry in trivial situations. It's all about adapting to the world and finding our place in it.
