4F At the doctor's: Worksheet

1 Watch the video and complete the dialogue with the sentences.

If I were you, I wouldn't climb onto any more walls.
OK. So I don't need to take anything?
No. That doesn't hurt.
OK. What about this? Is this painful?
Hm ... yes, it looks very swollen. Let me take a look..Does this hurt?
Good morning. Now, what can I do for you?
Yes, and when you're resting, try to hold the leg up. That will help it get better more quickly.
OK. Thanks, doctor. Goodbye.

Doctor _____
Amy It's my ankle. I fell off a wall and twisted it. It's really sore.
Doctor _____
Amy Ow! Yes, it does.
Doctor _____
Amy _____
Doctor Good. Well, it's not broken. I think you just need to rest it for a while. Amy OK.
Doctor _____
Amy _____
Doctor No, just rest. That's the only thing that will help, really.
Amy _____
Doctor Goodbye, Amy. Oh, one more thing.
Amy Yes, doctor?
Doctor _____

3 2.03 **Listen to four patients. Match the patients with the symptoms. Each person has got two different symptoms. Write patient 1, 2, 3 or 4.**
