

## Rewrite the text in 3rd person singular

I get up 8 o'clock, then I have breakfast. I brush my teeth but I don't comb my hair. Later I go to school, I study and I play. At noon I have lunch. After that, I come back home. I watch TV and play video games, then I have a shower and prepare for supper. Finally, I go to sleep at 11 o'clock.

up 8 o'clock, then                      breakfast.                      teeth  
but                      hair. Later                      to school,  
and                      . At noon                      lunch. After that,  
back home.                      TV and                      video games,  
then                      a shower and                      for supper. Finally,  
to sleep at 11 o'clock.
