-

Posesiones de Francia

Posesiones

- Reino Unido
- Francia
- Estados Unidos
- Países Bajos
- Japón
- País independiente

The map shows various regions of Asia color-coded according to the legend. There are five white rectangular boxes on the map for labeling: one in the northwest, one in the north-central region, one in the Indian subcontinent, one in the Philippines, and one in the Indonesian archipelago. A compass rose is located in the top right corner, and an illustration of the Taj Mahal is positioned to the right of the legend.

Compañía de las Indias Orientales
