

City in the sky

Dubai, in the United Arab Emirates, is different from other cities. It is a city of glass in the desert. One of these is the incredible Burj Khalifa skyscraper. It is 828 metres and has got more than 160 . You can see it from about 100 kilometres away! The temperature in the is sometimes 50°C, but it's cool inside this modern building. This amazing skyscraper is large enough for 25,000 people. It has got a hotel, offices, restaurants, swimming pools, libraries, a gym and 900 flats. From the area on the 124th floor, the cars in the streets below are tiny. The tower has got 57 very lifts, but there are also lots of stairs if you've got lots of energy!
