

Read the paragraphs below.

Name : _____

Write a topic paragraph for each paragraph.

5.

There is cheese, pepperoni, sausage and even pineapple. Some people like a thin crust while others prefer a thick crust. Some companies will cut the pizza into squares, but most places cut their pizza into triangles.

6.

Every morning, I wake up and let the dog outside. Then, I give him a scoop of food and some fresh water. After I come home from school, I take him for a walk around the neighborhood. If he gets dirty, I have to give him a bath.

7.

First, there isn't school. I can wake up late, and I can eat my breakfast slowly. Then, I can go out and play with my friends. We can play soccer, go to the park and run or even go to the swimming pool. After dinner, we can go back outside and eat ice cream until it gets dark.

8.

An adult has to pay for an apartment or house. That can be \$600 to \$1000. Then, an adult has to buy food for lunch and dinner. Most families spend \$600 for one month. If you want a car, you also have to pay about \$300 a month for the car and the insurance. I think I'll stay a teen as long as I can.

9.

Some students play sports like soccer, basketball, swimming or football. Other students prefer to be in clubs for art, theater or foreign languages. There are also academic clubs and programs. Other groups meet to help out the community and to help other students in the school. There's a lot a student can do!

10.

First, you take two pieces of bread. Then, you take a knife and spread on some peanut butter. Then, you scoop out the jelly with a spoon. Put the two pieces of bread together, and you just made a peanut butter and jelly sandwich.
