

Arrange the following numbers in ascending and descending order in the boxes given below.

Date:

Name:

The worksheet is divided into two main sections: 'Ascending order' on the left and 'Descending order' on the right. In the center, a girl in a pink dress stands on a wooden ladder, holding a blue bucket with yellow stars. She is reaching up towards a cloud on the left and a cloud on the right. The left cloud contains the numbers 65, 73, 82, 33, and 59. The right cloud contains the numbers 12, 28, 54, 47, and 69. Below the clouds are two columns of five empty boxes each. On the left side of the boxes, a red arrow points upwards, and on the right side, a red arrow points downwards. Small black arrows point from the clouds to the boxes: from the left cloud to the left boxes and from the right cloud to the right boxes.

Ascending order

Descending order

65 73 82 33 59

12 28 54 47 69

Ascending order boxes (left):

- Box 1
- Box 2
- Box 3
- Box 4
- Box 5

Descending order boxes (right):

- Box 1
- Box 2
- Box 3
- Box 4
- Box 5
