Dear Ali,

This is the first time I've gone camping and Space Camp has been **great** so far! On the first day, we visited the Space Museum. I learnt a lot of things about the planets and the stars. Yesterday, we went to the Space Museum again, but this time we saw a real spaceship. There weren't a lot of beds in it. Did you know that astronauts have to use sleeping bags when they want to go to sleep? They have to tie themselves up with the sleeping bags on a wall so as not to float away! We tried it too. It was really difficult! We couldn't sleep like that! There is also a telescope in the camp, but we haven't used it yet. We're going to do that tomorrow night. I can't wait! I really want to look at all the planets and the stars in the sky.

Bye,

Fahed
