REASONS vs. EVIDENCE Sort

REASONS	EVIDENCE

For one thing, pigs hate to march.

Also, pigs absolutely refuse to wear majorette uniforms.

Even if pigs wanted to hold the balloons instead of finding filthy puddles on the street to lie in, they couldn't do it.

They prefer to snuffle, which is kind of like walking with your nose.

Pigs have horrible taste in music!

Pigs can't hold balloons for the parade.

Even if you are able to find enough majorette uniforms for all your pigs, just try getting those hundreds of pigs to put them on.

They will play sad, sad country music ballads with titles like "My Tears Are Wet 'Cause My Mud's Gone Dry".
