I \_\_\_\_\_ the rain on the roof that morning  
And all the things that I \_\_\_\_\_ to say  
The angry words that came from nowhere without warning  
That stole the \_\_\_\_\_ and sent me away  
And you standing there at the doorway  
And me wondering if I'd ever be

I said I didn't come here to leave you  
I didn't come here to lose  
I didn't come here \_\_\_\_\_ I would ever be  
Away from you  
I didn't come here to find  
There's a weakness in my faith  
I was brought here by the \_\_\_\_\_ of love  
Love by grace

And I \_\_\_\_\_ the road just went on  
Just couldn't seem to turn that car around  
'Till in the \_\_\_\_\_ like a long lost treasure  
A phone booth that just could not be found  
And you standing there at the doorway waiting  
And the \_\_\_\_\_ when we laid back down

I said I didn't come here to leave you  
I didn't come here to lose  
I didn't come here \_\_\_\_\_ I would ever be  
Away from you  
I didn't come here to find  
There's a weakness in my faith  
I was brought here by the \_\_\_\_\_ of love

That was just a \_\_\_\_\_ in time  
And one we'll never forget  
One we can leave  
'Cause when there was doubt  
You'll remember I said

I didn't come here \_\_\_\_\_ I would ever be away from you  
I didn't come here to find out  
There's a weakness in my faith  
I was brought here by the \_\_\_\_\_ of love  
I was brought here by the \_\_\_\_\_ of love  
Love by grace
