

money makes the world go round

a penny for your thoughts

go Dutch

penny pincher

in for a penny
in for a pound

make big bucks

money doesn't grow on trees

tighten your belt

to live from hand to mouth

time is money

to be well off

not have two pennies to rub together

All that glitters is not gold

it's on the house

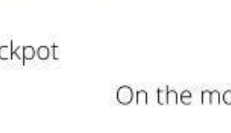

feel the pinch

in the red

money talks

As phoney as a three dollar bill

As poor as a church mouse

Throw money down the drain

cost an arm and a leg

my two cents

Cash cow

hit the jackpot

On the money
