

Hi! My name \_\_\_\_\_ (be) Anna. I \_\_\_\_\_ (live) in Berazategui with my mum and my sister. My mum \_\_\_\_\_ (be) a teacher and my sister \_\_\_\_\_ (work) for a company as a receptionist. Every day, we \_\_\_\_\_ (get) up really early because we \_\_\_\_\_ (have) many activities to do now that we are at home. I \_\_\_\_\_ (not have) a computer of my own, so when my sister \_\_\_\_\_ (finish) with her meetings it is my turn. My mum \_\_\_\_\_ (work) all day so she \_\_\_\_\_ (not prepare) lunch, my sister \_\_\_\_\_ (do) it.

I \_\_\_\_\_ (be/always) waiting for my sister to finish using the computer, because my teachers \_\_\_\_\_ (send) me homework for every class. However, they \_\_\_\_\_ (not give) us tests to sit for. My cousin \_\_\_\_\_ (call/often) me because she \_\_\_\_\_ (be) boring, she \_\_\_\_\_ (watch) Netflix but she \_\_\_\_\_ (want) to talk to someone, and she \_\_\_\_\_ (not have) any brothers or sisters, she only has a cat, and it \_\_\_\_\_ (sleep) all day!
