## 1.2 Write the correct conjunctions from the boxes below

although	because	in order to	too
so that	before	after	as well as

### A Koi fish

Did you know that a Koi fish can grow up to three feet long if raised in appropriate conditions and can live for more than 200 years? It can live even longer, \_\_\_\_\_ most never make it past the first year! Why is this so? This is because most pet owners forget about doing research on taking good care of their Koi fish \_\_\_\_\_ getting one.

\_\_\_\_\_ prolong the life of your Koi fish, what can you do? Well, a Koi fish needs to have a big tank. You would also need to change its water frequently, \_\_\_\_\_ to clean tank. It is quite important to have a proper filtration system.

In addition, a Koi fish prefers its water to be cool. It is necessary to have a thermometer in the tank

\_\_\_\_\_ one can keep track of the water temperature.

The temperature should not be too high as this can make the Koi fish ill easily.
