Music Streaming

The changes in the music business in the past few years have been (0) The digital age has seen not only differences in the production of music but also in the (17) of it. It is becoming much rarer for people to buy CDs or records as music fans turn to the internet to download their (18) tracks.

The main problem for the music industry is that many people are downloading music (19) and even the legal sites are not paying a lot of money to the (20) who make the music. So there have been a lot of complaints about this new direction in the way audiences access music. However, it's a fact that people now use the internet, for many areas of their life. No one can change the clocks back.

So, the industry needs to face up to the way the world has changed, it is (21) to cling to out of date methods. The best way to (22) musicians make money is to offer different services at different prices in order to attract a large customer base. Musicians may still be (23) of streaming because downloading is associated with (24) and piracy but its the way people get hold of music now.

---	---	---	---	---	---	---	---	---	---	---	---	---	--	--	--	--	--	--	--	--

Ricardo Semler: a classroom revolutionary

When Ricardo Semler was 21, he was put in charge of the family firm. "I'd come from having fun in rock bands," he says, "and I'd seen that there were ways to make people (0) if they were entirely involved."

The result was one of the most (17) companies in the world, where employees choose everything from their dress code to their salaries. Critics said it would never work – yet it became one of South America's most (18) corporations and, 25 years later, Semler is applying his principles to the classroom.

Semler realised that "the young adults who joined our company needed (19) Tracing this back made it evident that schools were torturing kids with (20) formats."

At his schools, the teachers are (21) trained as teachers, but have a passion for a particular subject; pupils choose their own courses, and meet (22) to make decisions on all aspects of the running of the school. The school's results have been (23) , scoring 96.15% in government tests, "even in rural areas," says Semler, "where one third have no (24) at home, and the average income of the parents is £170 per month."
