

**Imagine you are on a trip into space.  
Read and match to make the alien's instructions.**

We're going to explore  
Sit down and prepare  
We've just landed  
First of all turn off  
Put on your spacesuit  
Press the red button  
Walk down the steps and follow  
Don't touch any of the plants  
You'll see a  
Walk to  
Push open the  
Turn on the lights  
Pull the space bed out  
You're going to stay

because they're dangerous.  
to open the exit door.  
Planet Beta.  
the engine.  
and sleep.  
to land.  
door and enter the house.  
spacehouse in front of you.  
the path on your right.  
here for two nights.  
the entrance.  
on the planet.  
with the button next to the door.  
so you can leave the spaceship.
