Mangoes are one of the world's greatest joys. The sugarie fruits are teaming with goodness and are also highly versitile - you can put them in drinks, salads, deserts and even pickles. Mangoes originated in eastern India and Myanmar before making there way round the world. India is principle producer of mangoes.

Grandfather once told us the cemetary comes alive because of events that ocurred there. He told us that bizzare things caused the disappareance of several children from the neighborhood. He warned us to not let our curiosity get the better of us and stay away.
