About me:

Hi, I'm Jen and I'm from Manchester, England. I'm usually happy and I'm often sentimental. I'm very disorganized! I've got blue eyes and blonde hair.

Likes and dislikes:

I'm really into music, especially Evanescence and Panic at the Disco. I'm not mad about reading novels, but I'm a big fan of manga. I love Japanese things, too.

My free time:

I love surfing the internet. I don't mind texting, but I prefer talking to my friends on the phone. I like reading magazines and music blogs.
