Dear Ahmed,
 Last weekend, something happened our TV. I called my dad and said, "daddy, our TV doesn't work again. It's making a noise." My dad is a very patient and relaxed person. He said, "Don't worry. We can play an old game." He showed us how that old game. It was a really fantastic game. After lunch, my father and I also listened to the radio. There some good news there and we enjoyed listening to it. We all liked that day a lot. No one sad about the TV. We had a wonderful time being together. It was a lot of fun!

Lots of Love, Daniel
