

My ideal job

Complete the text with the key words below.
There is one extra word. (use cb pg: 69-70)

I can see myself being an _____. I really enjoy drawing, designing and being creative. Also, I love the idea of making something real. I would most certainly need a _____ and I would probably have to study for 7 years. I _____ **that** it would be quite competitive and challenging to find a _____. However, it is a _____ and _____ - **powered** job. I suppose it's not like a usual _____ to _____ job as I would be free to work from home and in my own time. At some point I would be expected to work with others which is easy as I'm a real _____.
