**Exc 1: Complete the gaps with the right words**

I've been trying to call
I've been on my own for [____] enough
Maybe you can [____] me how to love, [____]
I'm going [____] withdrawals
You don't [____] have to do too much
You can [____] me on with just a touch, baby

Sin city's cold and empty
No one's around to judge me
I can't see clearly when you're gone
I said oh... I'm blinded by the lights
No I can't sleep until I feel your touch
I said oh... I'm drowning in the night
Oh when I'm like this
You're the one I trust

I'm running out of [____]
Because I can see the [____] light up the [____]
So I hit the [____] in overdrive, baby

Sin city's cold and empty
No one's around to judge me
I can't see clearly when you're gone
I said oh... I'm blinded by the light
No I can't sleep until I feel your touch
I said oh... I'm drowning in the night
Oh when I'm like this
You're the one I trust

I'm just calling back to let you [____]
I could never say this on the [____]
Will never let you go this [____]

I said oh... I'm blinded by the lights
No I can't sleep until I feel your touch

I said oh... I'm blinded by the lights
No I can't sleep until I feel your touch
