

## Space Centre

Welcome on board and enjoy an exciting adventure!

### Opening times

10 am to 6pm

Please come as early as possible if you want to visit during the weekend and holidays so you don't have to wait a long time to buy a ticket.

### Starship gallery

Climb into a large rocket training simulator to learn what it feels like to fly through space.

### Astronaut gallery

See photos of every astronaut who has flown in space, put on a helmet and take a selfie with them.

## International Space Station (ISS)

Find out what it's like to live on the ISS. Watch a presentation which shows you how astronauts eat, sleep, work, exercise and do scientific experiments when they're living in the space station.

### Moon rock

Come and touch a piece of the moon today! This one is more than 3.8 billion years old!

### Special this moth: tea with an astronaut!

Have tea with an astronaut who has been in space and listen to his stories.

LIVE **LIVEWORKSHEETS**

According to the leaflet above, answer the following questions by choosing the correct option. Read carefully.
