Jacob and Matt are studying English online together. Today they're working on Lesson Eight in the Blue Level. This lesson is about the present continuous tense. Jacob is using the keyboard and Matt is writing down the answers to the questions that they see on the screen.

There are fourteen computers in the classroom, but there are thirty students, so they're sharing the same computer. They like to work together because they're friends.Jacob is wearing a blue shirt today. He's also wearing a watch. Matt is wearing a purple t-shirt. They're both wearing jeans. A LETTER

Dear, Harry

Hi, it's now four o'clock in the afternoon and I'm sitting in the living room writing this letter. I's a lovely day outside. The weather is great, the sun is shining and the birds are singing. My dog Paddles is sitting beside me and looking at me with her big brown eyes. The eyes are asking me for some food, but I'm not giving her anything because she is getting fat. I'm learning Spanish now at evening college. My Spanish is improving slowly. I like my teacher she is doing an excellent job. I'm really enjoying my class. I hope you are well and happy and I hope your Family is also well. Please write to me soon. By for now. Jenny
