Hi Friends! My name is Sandra and I live in Hilltown. It is in the south of England. It isn't a very big town. About 9.000 people live here. There are about thirty shops in Hilltown and there are three supermarkets. You can buy everything in the town that you need. There are two banks and a post office in Main Street. There is a police station and a library too. You can find a big market where you can buy fresh fruit, vegetables, meat, and dairy products. I like going to the market with my mum. There are three churches in the town centre and there is a park too. In the park children can play because there is a playground. In our town you can find some restaurants and there are five cafés. My favourite café is Icecave. It's in Park Street and the ice cream is fantastic here! There are three elementary and two high schools in Hilltown. My school is in Mill Street. We have

got a very nice building. Next to our school there is a sports centre. Every wednesday afternoon we play badminton. If you want to see a film you can go to the cinema in our town, but unfortunately there aren't any theatres here. I like living in Hilltown because it is a calm, neat place and people are friendly.
