

Bloody Sunday

1) Read the paragraph summing up the Bloody Sunday and fill in the blanks with the missing words

Members / Derry / incident / soldiers/ teenagers/ January/ army vehicles/ protesters

Bloody Sunday- sometimes called the Bogside massacre- was an incident on 301972. In the Bogside area of, Northern Ireland, 26 civil-rights.....and bystanders were shot byof the British Army. Thirteen males, seven of whom were, died immediately or soon after, while the death of another man four-and-a-half-months later was attributed to the injuries he received that day. Two protesters were also injured when they were run down by Five of those wounded were shot in the back. Theoccured during a Northern Civil Rights Association march ; the soldiers involved wereof the First Battalion of the Parachute Regiment. It is still not known wether the protesters were armed or unarmed, with both sides claiming the enemy fired first.
