

Preescolar

Aprendizaje: Compara, iguala y clasifica colecciones con base en la cantidad de elementos.

Selecciona en donde hay más objetos.

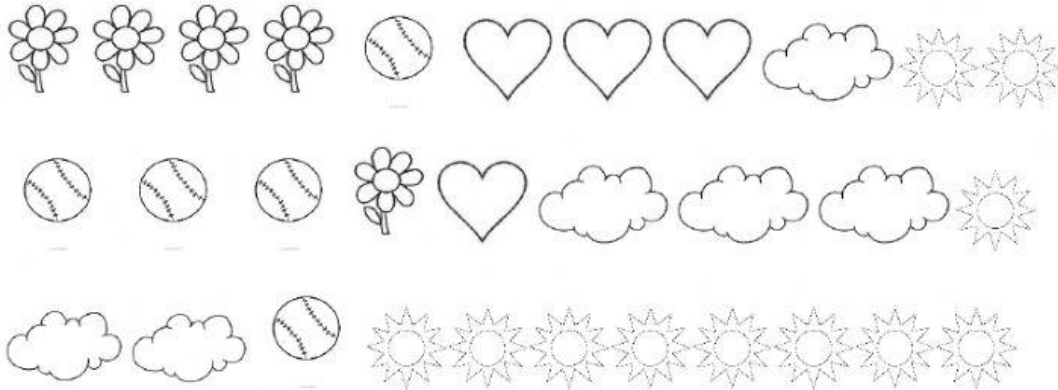

Coloca los objetos que faltan para que tengan las mismas cantidades.

Preescolar

Coloca los objetos parecidos dentro de los recuadros; flor-azul, pelota-rojo, corazón-verde, nube-morado, sol- amarillo.

Five empty rounded rectangular boxes for sorting objects by color. The boxes are arranged in a 2x2 grid with a fifth box centered below them. The colors of the boxes are blue, red, green, purple, and yellow.

¿Cuál Objeto hay más?
