Trouble in town, because they cut my _____ down
Because my _____ can't wear her crown
There's trouble, there's _____ in town

Blood on the beach, oh my goodness
There's _____ on the beach
Lore of the _____, or the lore of the street
There's blood on, there's blood on the beach

And I get no shelter, and I get no _____
And I _____ get release

Trouble in town, because they hung my _____ brown
Because the system just keep it down
This trouble, this _____ in town

And I get no _____, and I get no peace
And I just get more policed
And I get no _____, and I get no name
Everything is getting strange
