

Say, say, say

What you
But don't play games
With my affection

What you need
But don't leave me
With no direction

All alone
I sit home by the phone
Waiting for you, baby
Through the years
How to hear
My pleading for you
You know I'm cryin
(Now)
Where you want
But don't me
Here forever
You you you away
So long girl, I you never
What can I do, girl
To get through to you?
'Cause I you, baby
Standing here
Baptized in all my tears
Baby, through the years
You know I'm

You never ever worried
And you never shed a tear
You're that my love aint real
Just look at my face these tears aint dryin'

You, you, you
Can never
That im not the one
Who really you
I pray, pray, pray, everyday
That you'll things
Girl, like I do
What can I do, girl
To through to you?
'Cause I love you, baby
Standing here
Baptized in all my tears
Baby, through the years
You I'm cryin
