Roblox players rule!

Ride a rollercoaster. Drive a racecar. Build a house. Then hang out with friends at your new home. It's easy to find fun things to do on Roblox. There are millions of games! There are also lots of players. About 150 million of them. And most are kids and teens.

Roblox came out in 2004. But it really took off in 2020. That's because of Covid-19. Friends couldn't meet in person. But they could play together on Roblox. Players can invite friends to join them in games.

But that's not all they do. Players can use Roblox Studio to make their own games. It's free. It's easy to use. And it's a good way to learn to code.

Players can also make money from their games. And some end up creating games as a career. How many Roblox games are made by players? All of them. On Roblox, players rule!

1.- Most of Roblox players are adults.	
2.- Players can invite friends to join in their games.	
3.- Players can create their own games.	

**GOOD
LUCK!**
